Our children's program is going to experiment with a few changes in our 11 a.m. Meeting for Worship routine. If children are interested in participating in our Young Friends message, we suggest that they begin the service in the sanctuary with their parents. Those who want to go to the nursery after the Young Friends message will be escorted there by a responsible adult. (Parents are also welcome to walk their kids to the nursery at that time.) Children under three or those who choose not to participate in the Young Friends message can be dropped off at our nursery before the service begins. Our hope is that this procedure will reduce some of the transitions our little ones make during the eleven o'clock hour. We welcome any feedback about this new system! --**Christian Education Committee**

USFW will be putting together school kits again this year! They need your help purchasing supplies. Prices are at an all-time low so this is the perfect time to purchase. A list of items needed can be found near the baskets at both entrances.

The USFW "New Year" begins with a carry-in lunch on Monday, September 14. We will meet in the fellowship hall at 10:00 am for a business meeting and then adjourn for lunch. Don't forget to bring your school supplies as we make the school kits in October. ***All women of the Meeting are welcome to attend.***

Interested in joining the choir? Please contact Monica Hix at hixmonica@gmail.com or 601-4217. Also, if you would like to simply commit to singing during advent, we have a special choir retreat on Saturday, October 31. Ask Monica Hix or Nancy Dixon for more information.

Peace and Social Concerns invites interested adults and older youth to "**No Dwelling: Homeless in America**", a docudrama presented at the Paul Robeson Theater, NCA&T University, September 24 - 27. **We plan to attend the event on Sunday the 27th at 3:00 p.m., carpooling from First Friends parking lot.** Amy Murphy (the Chicken Lady) is appearing as herself in the play. Please plan to come!

FRIENDLY VISITORS: Past, Present & Future. Please join us for lunch on September 27 at the Rise of Meeting and learn more about our outreach to our seniors. This is also a time to exchange ideas, ask questions, and share resources. Please let Deborah Suess know asap if you can attend.
